

Dear Bill,

Thank you so much for DJing our May 25th wedding at Monona Terrace. Sarah mentioned that you had a family conflict and still DJed for us - completely unnecessary but we really appreciate it! You really seemed to listen to our wants and needs and then did an amazing job from there. We will obviously highly recommend your company to our friends and family in the future! Thank you so much!

Sincerely,

Mark & Megan Mickelson (Ramaker)
