Hi Bill,

This is Christa, we met a few weeks ago at the Pfister with my then fiance Dave Neill. The day before yesterday, on New Years Eve, my wedding was held there in the Imperial Ballroom. On behalf of myself, Dave, and our families, I want to tell you how WONDERFUL David the DJ was.

EVERYONE loved him, he made the night flawless. He kept people excited, he kept the night on track and he handled the tunes and lighting perfectly... the list goes on and on. He even helped the speech givers be at ease before they began speaking. Today back at the office my coworkers commented on how great he was, and even my super old grandparents told me how much they enjoyed him! We have some friends that got engaged over the holiday and I will definitely encourage them to request David.

I even felt great about our phone conversation with him a few nights prior to the big day. He answered all our questions and really helped to put an anxious bride's nerves to rest. We probably talked for a solid 45 minutes and I felt very confident after we ended the call.

So anyway, I just wanted to pass along the nice words, because I like to do that when it is deserved. David was the best! Thank you!
