Our holiday party last night was wonderful! Dave was very professional, friendly, and helpful. We even had a few people busting out some dance moves and entertaining everyone! I've already received lots of positive feedback and wanted to pass on our thanks to you... especially with our multiple reschedules!

I gave Dave a check at the end of the night for our remaining \$250 balance. We really appreciate that you waived the second rescheduling fee for us.

Thank you, thank you!
