Bill,

I just wanted to take the time to tell you how wonderful our DJ David Hall was. He called me earlier this week and we went over my songbook and he practiced saying everybody's name, so he would pronounce them correctly.

David arrived on time, had our uplighting and made the room look absolutely stunning. He gave us a special little present, a cd he made with all our wedding songs on it.

He was so friendly and an AWESOME DJ :)

I am so glad that Bridget from Geneva Ridge recommended you. I think she needs a gift or something from you lol!!! I am SURE a lot of brides listen to her :) She does a great job promising that brides will NOT be disappointed if they book with you.

David exceeded my expectations.

Thank you so much!

Mr. & Mrs. Michael Budreck
