Hi Bill,

Sorry it has taken a bit to send this email. We wanted to thank you and your team for the fantastic service you provided for our wedding at the ICC. The uplighting was exactly what I had envisioned, and the monogram was beautiful. DJ Allen was great to work with and did everything we asked of him. He kept the night moving along, as we were 1 1/2 hours behind schedule. Everyone has told us how fun the wedding was and I know the music had a huge part in making our wedding a blast!

We intended to tip Allen at the end of the night, but it was kind of crazy getting everything packed and out the door. What is the best way for us to get a tip to him?

Thank you again for everything. We will for sure be recommending you to our friends and family, and will use you in the future if we ever need DJ services again.

Matt & Kristi Sokol
