

Bill,

We can't say enough great things about DPDJ
& our DJ Matt Peck for our June wedding.
Our guests (& us!) were on the dance floor
all night and people are still talking about
how great the music was. Matt was professional,
laid back & everything we were hoping for in
a DJ. We'll be sure to blast a fantastic review
on every wedding website we can find. Until
then, enjoy (& share!) some yummy truffles. ☺

Thank
you!

Rachel & Josh
