Bill,

I wanted to send a quick thanks for the DJ services at our wedding on October, 4th. Music was high on our priority list and Ryan did a great job from beginning to end. Very professional and polite with our guests, played great music all night and we got a lot of compliments from everyone. He was even able to fend off bad requests from some of my drunken buddies. If I get the chance, I will recommend your services anytime I can.

Thanks - Chris
